MAXIMUM LIGHT

The unique aluminium external and internal capping and bespoke structural PVCu internal core make the Flat Rooflight the ultimate glazed flat rooflight.

Sitting flush with the internal plaster line, the fixed flat rooflight appears frameless from the interior of the home, creating the illusion of an open roof space.

MINIMAL SIGHTLINES

The minimalistic contemporary external design with flush glazing gives a sleek, modern appearance and is a stunning addition to any home extension.

ULTIMATE PERFORMANCE

Thermal performance is at the forefront of homeowners minds. With an unrivalled double glazing U Value of 1.0 w/m²k the Flat Rooflight is the ultimate performing flat rooflight. Low maintenance, solar control glass options available.
